CHARLOTTE-MECKLENBURG POLICE DEPARTMENT

HOME SECURITY

Property List

Recording the serial number of your property can assist the police in identifying and returning stolen items to you. Mark items without a serial number with your driver's license number (NCDL 1234567) using an etching tool. Take a close-up photograph of personal property that cannot be marked and attach an index card to the photo that includes a detailed description of the item.

Item	Make	Serial Number/ Description	Value
